Adventure Playground!!!

Sadly, this year our beautiful tree died and needed to be felled for safety reasons. But with some creative licence and the help of a wonderful neighbour and his machinery we have repurposed this tree into a magnificent adventure playground for the dogs. Andy spent the morning at the Training Centre moving all the sections into place and then filling it with the mulch that came from the smaller twigs. It feels great to have repurposed this special part of the environment into a great asset for the dogs.

Puppy Day

New Initiative for 2022

Monthly Health Checks & Puppy Playdates are proving most valuable for all. The puppies get to meet each other, visit the Training Centre where they will come to train to become a hearing dog and we all get to see them as they grow.

Recorded health checks completed by our in-house veterinary nurse, progress photos and of course valuable cuddles.

Thanks to these wonderful puppy raiser volunteers who help make this happen.
